

## Funky Feet with Fern

Have you a child aged between walking and four years old? Then, why not bring them along to this *Mini Movers* class?

Run by a fully qualified dance teacher in ISTD and IDTA, the classes allow young boys and girls to enjoy all the physical and social benefits of ballet, modern dance and song in a safe, caring and positive environment.

*Mini Movers* can build their confidence and social skills, while also developing their basic ballet technique, coordination, musicality, balance, posture and sense of rhythm.

Fun props, such as ribbons, bubbles and bears, are used to encourage all the little stars to interact and share as they learn in the magical world of dance.

Interested? Classes take place each week at Snodland Community Centre on **Friday between 10 and 10.45 am.**
