

# Music Mayhem

If you have pre-school children and an hour to spend on a **Monday morning between 10 and 11 am**, why not bring them along to develop their creative and musical skills at a *Music Mayhem* session at the Community Centre?

We're open every week, even during school holidays.

The sessions provide the youngsters with opportunities to sing, dance and play musical instruments.

All are welcome! Just drop in to see if you like it. There are no long term commitments to sign up for.

The cost is £4 per child each session. More than one child? Don't worry, as you pay just £1 for every additional one.
