The National Association of Women's Clubs

A new club for women has just begun in Snodland. With around 5000 members in 130 clubs across the country, this club will provide its members with demonstrations, talks and visits to places of interest, theatres and exhibitions. As well as this, there will be weekends away, summer garden parties, lunches and an annual conference.

We are a national, non-political, non-sectarian, non-religious organisation for all women, creating opportunities to build new skills by taking part in a wide variety of activities in an atmosphere of friendship and fun and campaigning on issues that matter to members and their communities.

Interested? Then, why not come along? We meet **every Tuesday** in the Paddlesworth Rooms at the community centre **between 7:30 and 9.30 pm.**

All ladies are welcome. So come and see what we are about, meet new friends and tell us what activities you'd like.
