

## Bavarian Night

*Oktoberfest* came to Snodland on 22nd February when the Community Centre took on a distinctive German flavour when Snodland Town Football Club organised a Bavarian Night.

With about 190 tickets sold, the hall was soon resounding to the oom-pah of the highly entertaining *Die Dorf Fest Kapelle* band, as well as foot stamping and raucous singing.

The evening was broken up with a meal, raffle and a yodelling contest. In all it was a thoroughly enjoyable way for the football club to raise much-needed funds for its proposed ground improvements.
