

Jubilee Night:

Over one hundred people, some of them very patriotically dressed, turned out to celebrate the Queen's Diamond Jubilee on Monday, 4th June 2012.

During the evening, there was dancing to *Shazam*, a three piece band, which played a wide range of music.

At ten o'clock everyone went outside to view the lighting of the beacon on Holly Hill. This was followed by the singing of the National Anthem (all three verses!) and a toast to Her Majesty.

Shazam struts its stuff & everyone gets stuck in

All dressed up and ready to celebrate!

Waiting for the beacon to be lit—so cold for June

At last the Jubilee beacon is lit

The National Anthem, but who knows
the second and third verse?
